MEMBERSHIP INFORMATION AND APPLICATION

Before completing this application, determine which of the following best describes you:

- ♦ **Current member of ASNR, ASFNR, ASHNR, ASPNR, or ASSR-** complete sections 1, 2 and 8, and provide prorated dues.
- ♦ **Not a member of ASNR, or any of the other societies listed above-** complete the *entire* application, include required documentation, and prorated dues.

Society Geographic Boundaries

The WNRS geographic boundaries are defined as the states west of the Mississippi River, including Alaska, Arizona, Arkansas, California, Colorado, Hawaii, Idaho, Iowa, Kansas, Louisiana, Minnesota, Missouri, Montana, Nebraska, Nevada, New Mexico, North Dakota, Oklahoma, Oregon, South Dakota, Texas, Utah, Washington, Wyoming, the Midwestern states if Illinois, Indiana, Michigan and Wisconsin, the Canadian provinces of Alberta, British Columbia, Saskatchewan, and Manitoba, and Mexico.

Society Objectives

1. To develop and support standards for the training and practice of neuroradiology in the community.
2. To encourage research in radiology and the neurosciences as they apply to neuroimaging.
3. To stimulate the development of equipment, instrumentation and products designed to fill the needs of the neuroradiologist.
4. To promote a closer fellowship and exchange of ideas among neuroradiologists and those radiologists involved in the interpretation of neuroradiologic studies.
5. To provide a format for education and the dissemination of ideas in the field of neuroradiology in the form of educational meetings and symposia.

Categories and Qualifications

Senior... shall be a radiologist certified by the American Board of Radiology, The Royal College of Physicians and Surgeons of Canada, The American Osteopathic College of Radiology, or other Board or Tribunal which, in the judgement of the Executive Committee, is of equivalent rank, and have completed by July 1 following the first annual meeting after becoming a member, one of the following:

1. Two years of fellowship training under the supervision of a WNRS *Senior* member, an ASNR *Senior* member, or a neuroradiologist possessing a Subspecialty Certification in Neuroradiology (formerly CAQ) in an institution with an approved radiology residency program.
2. One year of formal fellowship training in neuroradiology and a second year of experience primarily in neuroradiology, and/or subspecialized area of neuroradiology under the supervision of a WNRS *Senior* member, an ASNR *Senior* member, or a neuroradiologist possessing a Subspecialty Certification in Neurodiology (formerly CAQ) in an institution with an approved radiology residency program.
3. One year of formal fellowship training in neuroradiology under the supervision of a WNRS *Senior* member, an ASNR *Senior* member, a neuroradiologist possessing a Subspecialty Certification in Neurodiology (formerly CAQ) in an institution with an approved radiology residency program and three years of subsequent radiology practice during which 50% of the practice time is documented in neuroradiology.
4. Subspecialty Certification in Neuroradiology (formerly CAQ) and four years of subsequent radiology practice during which 50% of the practice time is documented in neuroradiology.

- The Membership Committee and Executive Committee will consider those applicants with equivalent training and experience who trained outside the United States.

Applicants for *Senior* membership shall be engaged in active practice of neuroradiology and/or a subspecialty of neuroradiology within the defined geographic boundaries of the Society, devoting at least 50% of the practice time (exclusive of administrative duties) to neuroradiology.

Associate...shall be other radiologists, or other physicians or scientists, with an acknowledged interest in, or who have made outstanding contributions to neuroradiology, or are located outside the defined geographic boundaries of the Society.

Corresponding...shall be WNRS *Senior* members in good standing who no longer practice within the defined geographic limits of the Society. They shall have the rights and responsibilities of WNRS *Senior* members, except for voting, holding office and serving on committees. Likewise, former WNRS *Senior* members may apply for *Corresponding* membership, if they have moved out of the defined geographic boundaries of the Society.

Member-in-Training... shall be individuals who are currently participating in a full-time ACCME-accredited neuroradiology training program.
